

## In life, we all have choices...

Do you need a lower monthly premium? Have you developed a condition that requires more coverage? Has a son or daughter married? It may be time to think about how your healthcare needs have changed and review your insurance coverage.

We invite you to consider Placentia-Linda Hospital as your hospital of choice. To obtain more information on how you can receive services at Placentia-Linda, ask your health plan provider or call (714) 524-4872 today. We have over 375 physicians on staff in various specialties to serve your needs.
